Re: No Cell Phones on Planes

**ORIGINAL**

I am writing to voice my concern about the FCC's proposal to relax the restrictions on the use of cell phones on airplanes in flight.

The introduction of cell phone use in the cabin will not only increase tension among the passengers, it will compromise flight attendants ability to maintain order in an emergency. Cell phone use could also enable terrorists to coordinate a plan of action more effectively.

Please do NOT relax the restrictions on the use of cell phones on airplanes in flight!

Sincerely,
